Ch-Ch-Ch Cheatah, pretty Senorita.  
She calls him Daddy when he calls her on the phone  
Ch-Ch-Ch Cheatah, pretty pretty Cheatah.  
You can bet that Cheatah's cheating when you leave Cheatah alone

Cheatah catgirl works Bourbon Street  
Feel her claws rip into me  
She can cuddle; hear her purr  
Cat eyes shine when you touch her fur  
Take her treat; get a trick, too  
Cheatah loves him and all of you  
She's a creature of the night  
She lives to love; she loves to fight

Ch-Ch-Ch Cheatah, pretty Senorita.  
She calls him Daddy when he calls her on the phone  
Ch-Ch-Ch Cheatah, pretty pretty Cheatah.  
You can bet that Cheatah's cheating when you leave Cheatah alone

Watch out, guys, Cheatah's on the prowl  
She de pussy cat and you de owl  
But if you think that you're so wise  
Try to figure Ch-Ch Cheatah's lies  
She's just like the old stray cats  
'Cause she feeds on lots of rats  
She's a creature of the night  
She lives to love; she loves to fight

Ch-Ch-Ch Cheatah, pretty Senorita.  
She calls him Daddy when he calls her on the phone  
Ch-Ch-Ch Cheatah, pretty pretty Cheatah.  
You can bet that Cheatah's cheating when you leave Cheatah alone
