

Chili Christmas

©1996 Vince Vance

Daddy's boots for stockings
A cactus Christmas tree
Red chili pepper garlands
Decorate the mantelpiece
Too hot for poor, old reindeer
Santa low-rides in his sleigh
Pedro, the red-nosed Chihuahua
Helps Santa find his way

It's a chili Christmas
Cold is what it's not
Chili is the season
That makes our Christmas hot

It's a chili Christmas, a chili Christmas for you and me
A red-hot chili Christmas *en Tejas para me y para ti*

No snow down near the Pecos
To make our Christmas white
Santa's red sombrero
Makes niños' eyes so bright
En la Noche Buena
Our shoes beside the bed
On Christmas day we laugh and jump
For piñatas green and red

It's a chili Christmas, a chili Christmas for you and me
A red-hot chili Christmas *en Tejas para me y para ti*

The smell of warm *tortillas y la familia*;
